Great!

Keep me posted too if you have questions or want to go back and forth about it or anything as I'll probably be helping communicate directions to the other management team too.

Hi Erica – Tom’s reviewing the draft table – I sent it to him yesterday. I’ll check in with him again this afternoon and see if he can send sooner than later....

Hi Karina,

Thanks for getting back to me. That timeline works for us. Looking forward to checking in next week.

Best,

Hi Erica - we currently have a draft table together that is circulating to the management staff to update/review their action items. It's due back to me next Tuesday from each of them, so I hope to compile and send it by next Wed to you and Sam for review/discussion. I hope that timeline works for you... we're working around a few field schedules, etc.

Thanks!

Hi Tom and Karina,

Hope you are both doing well. How are things going with identifying outputs and outcomes in your FY 2018 workplan since our discussion two weeks ago with Sam? Do you have a draft table ready for us to review?

Thanks in advance.

Best,

Erica
